

Introduction					
	SAS	Paul Ridge	What has a 42-year old technology giant got to offer to a start-up? How does a \$3bn revenue software company operate in the Insurtech market? Insurtech is new, you are old – Surely there is a disconnect? Common questions, SAS are here to answer!	@SASSoftwareUK	<a href="http://www.sas.com">www.sas.com</a>
	FCA	Anna Wallace	The Financial Conduct Authority is the conduct regulator for 56,000 financial services firms and financial markets in the UK and the prudential regulator for over 18,000 of those firms.	@TheFCA	<a href="http://www.fca.org.uk">www.fca.org.uk</a>
	Department for Business, Energy & Industrial Strategy	Gordon Baker	Find out how the Government plans to support SMEs, the finance support via British Business Bank and the new 'Next Generation Services' fund that will be aiming to support research, collaboration and innovation in the insurance sector (and law and accounting).	@beisgovuk	<a href="http://www.gov.uk/beis">www.gov.uk/beis</a>
	Knowledge Transfer Network	Astrid Ayel	The Knowledge Transfer Network helps innovative businesses connect with funding opportunities, academic research and other businesses to develop their R&D project.	@KTNUK @KTN_Creative	<a href="http://www.ktn-uk.co.uk">www.ktn-uk.co.uk</a>
	Styliff	Charlie Regis	Styliff are an innovative insurance tech company that won the RG&A Big Ideas competition which ran throughout EMEA. They have created an activity reward platform that provides immediate gratification for any and every type of physical activity. They also part subsidise their in-house development team for a limited number of projects each year to help companies build web and mobile apps.	@styliffapp	<a href="http://www.styliff.com">www.styliff.com</a>
Break					
	InsurTech Gateway	Stephen Brittain	InsurTech Gateway are the world's first authorised accelerator for the InsurTech space, creating a new space for entrepreneurs to develop and test new insurance products, fast!	@Ideas_Ignited	<a href="http://www.insurtechgateway.com">www.insurtechgateway.com</a>
	Crowe Horwath	Daniel Bruce	Crowe Horwath is a risk management, consulting, audit and technology firm with offices across the globe: they create value for their clients by connecting deep industry and specialised knowledge with innovative technology. Their team in the UK blends actuarial, risk management and data science expertise in order to help their clients make pragmatic, practical and proportionate improvements to how their businesses work.	@CroweHorwathUS	<a href="http://www.crowehorwath.com">www.crowehorwath.com</a>
	Capital Law	Nick Pester	A full service commercial law firm which has significant expertise of working with early stage FinTech businesses, with service and fee offerings to suit.	@CapitalLawlp	<a href="http://www.capital-law.co.uk">www.capital-law.co.uk</a>
	Azimuth Insights	Paul O'Connor	Azimuth are experts on early stage actuarial, data science, underwriting and regulation. For startups or people with bold ambitions, there is no minimum fee. Support for entrepreneurs, by entrepreneurs - and no buzzword bingo.		<a href="http://www.azimuthinsights.co.uk">www.azimuthinsights.co.uk</a>
	BIBA	Andy Thornley	The British Insurance Brokers' Association (BIBA) is the leading UK insurance intermediary organisations with just under 2,000 firms in membership. In 2017, BIBA established a cross-industry group comprising key individuals across the industry to help support tech-led innovation in insurance which is aiming to help start-ups, develop partnerships within the market and demystify InsurTech for incumbents.	@BIBAAandy	<a href="http://www.biba.org.uk">www.biba.org.uk</a>
